Dear Ms Anker

Firstly, I would like to take this opportunity to thank you once again for your invaluable contribution in making the Most Improved School Ceremony and Gala dinner that we arranged for the Department of Education on 14 March 2008 the success that it was. At such a high profile event where both the Deputy President and Minister of Education attended, it is particularly reassuring to have someone like you to rely on. Having the Soweto String Quartet and the two outstanding sopranos you provided really added lustre to the Event.

It has always been a privilege and pleasure to work with you. As you know we are always more than ready to work with you – in your personal capacity, with the Yvonne Anker Foundation or with Y Anker Global Development and Projects.

With our combined skills and expertise we can make a great contribution to community outreach and fighting crime.

Together with you, we would like to take hands with Government to heal South Africa and empower disadvantaged communities. As discussed previously, I would like to reiterate that we also gladly offer in-house training to members of the youth.

Thank you once again for initiative and enthusiasm.

Warm regards
