Dear HOSANNA MINISTRY TEAM,

Just a short note to express my sincere appreciation of your annointed ministry at the Cape Show today. It required extreme discipline and co-operation by all to complete our busy programme within the 90 mins. allocated for this Gospel Music first.

It is my belief that many were touched by your ministry and have been drawn to Christ as a result of it. Remember ... God's Word will "Never return void"

It gives me great pleasure, on behalf of our sponsors Radio Kontrei and the Cape Show Committee, to enclose an Honorarium to your ministry. May God continue to Prosper you in all things.

Your servant in Christ,

  
Henry Louw.  
(President)
